SAP SOLUTION BACKBONE HEALTH CHECK

*A no-cost health check of
your SAP systems landscape*

Oxygen's no-cost SAP solution health check reviews the existing use of SAP Solution Manager in the organisation and how and where it can be extended to increase value and ensure the most efficient operation possible of the entire SAP landscape.

If you are interested in taking up one of the limited number of free health check offers or you would like more information, please phone Jason Kiely +64 9 583 1634 or email offers@oxygenforbusiness.com
