SAP SCM READINESS ASSESSMENT

*A simple, free survey to establish your
SAP Supply Chain Management (SCM)
benefits realisation position*

Oxygen's no obligation Supply Chain readiness assessment allows you to find out your current SCM position. It focuses on uncovering your SCM maturity across your business and identifies opportunities for improvement and quick wins. You do not need SAP to complete this survey.

If you are interested in finding out more about SAP SCM and would like to take the survey, please contact Paul Kruger, tel +61 2 8879 6500 or email offers@oxygenforbusiness.com
